and i'm already on my knees!

I suspect he's going easy on me, despite the irrationality.

rock!

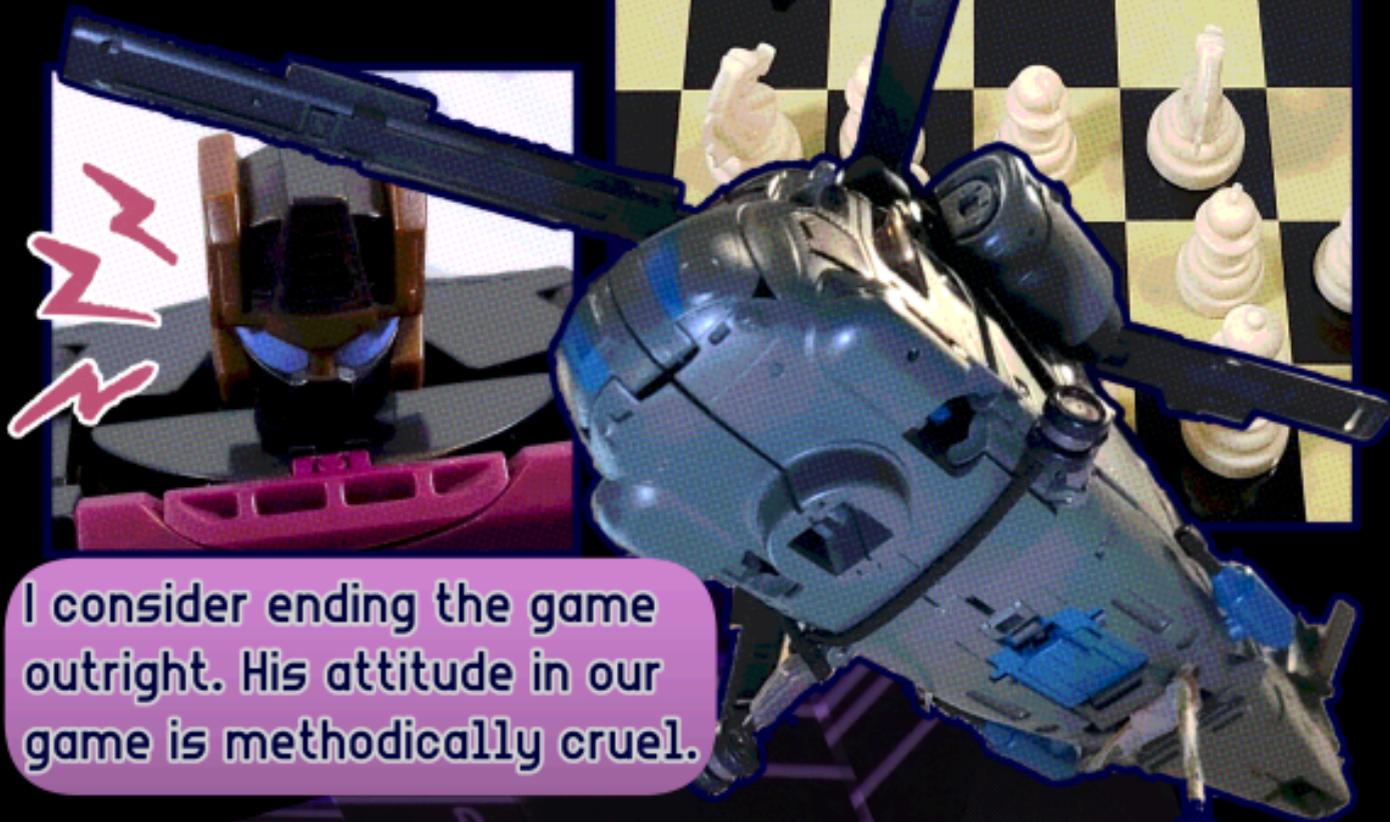

scissors!

He's given me my preferred position, defense.

You should probably move your Queen to d4.

I consider ending the game outright. His attitude in our game is methodically cruel.

It's why he works with us, after all.

I do as he says. I don't want to give him the satisfaction of a response.

Begrudgingly, I admit he might be better than me.

... Or I was particularly terrible that day.

It should have gone without a hitch.

Ouch, what a blunder.

Checkmate.

... You're still upset
about last week,
aren't you?
